

GEARBLAST:US - BOOKING A ROOM

Due to incredible demand, all motel rooms, cottages, and suites are sold out at The Dunes. A waitlist is in effect for rooms, however, most people are sharing rooms so we do not anticipate cancellations. If you would like to be on the waitlist call The Dunes at (269) 857-1401.

The Dunes has made available their ground level "Dunes Rooms". It must be noted that these are BARRACK-LIKE rooms. Please be sure to read carefully before choosing.

The current GearBlast negotiated room options and pricing details are explained. Instructions on how to book are provided when you complete your GearBlast registration. If you are registered and still need instructions on how to book one of these rooms, e-mail us at usa@gearblast.com

Prices listed do not include tax.

Option 1 – The Blue Star Motel

Next door to The Dunes is the Blue Star Motel. Blue Star is an easy 4-minute walk to the Stockade (meal area) at The Dunes. Blue Star is also immediately next door to this year’s GearBlast athletic field. There are (8) standard “patio” rooms and (1) suite. If requesting a suite please have at least 3 people.

- “Patio Rooms” have a Queen bed, fridge, microwave. \$85.75/night for (4) nights
- The suite has a King bed, sofa-sleeper in a living room, (2) televisions, fridge, microwave. \$105.75/night for (4) nights.

Option 2 – Northern Lights Condos

Just across the street from The Dunes is the Northern Lights Condos. Northern Lights will be a smart choice for groups who want to room together and do not mind a 5-minute walk across the street. GearBlast has been given the rates listed below.

- 2-Bedroom Condo sleeps six. Two bedrooms, living room, full kitchen, two bathrooms. \$137.50/night for (4) nights
- 1-Bedroom Condo sleeps four. One bedroom, living room, kitchen. \$100/night for (4) nights.

Option 3 – Standard “Dunes” Room - \$40/night

These rooms are on the ground floor of the standard motel room at The Dunes. Standard Dunes rooms are private but very small. These rooms will likely be too small for most people and their gear. Total space 7'x7'. This could be a desirable choice for those who are looking for an extra bed on site.

Please note the following;

- Dunes Rooms are on the same level as the GearBlast Playspace. Expect hallway noise and activity until 2:00AM.
- Bathrooms and showers are shared with others staying in Dunes Rooms and using the playspace
- No television
- One power outlet

Option 4 – Deluxe “Dunes” Room - \$50/night

Also on the ground floor of the standard motel room of The Dunes, Deluxe Dunes Rooms are larger than Standard Dunes Rooms, but still very small. This could be a desirable choice for someone who wants to stay by themselves and really wants to be onsite and is ok with being up late.

Please note the following;

- Dunes Rooms are on the same level as the GearBlast Playspace. Expect hallway noise and activity until 2:00AM.
- Bathrooms and showers are shared with others staying in Dunes Rooms and using the playspace
- No television
- One power outlet

Instructions on how to book these accommodations are included in your GearBlast Registration Order Confirmation. If you are registered and still need these instructions e-mail usa@gearblast.com
